

RCDSB Professional Activity Day

October 11th, 2024

Full Day

Elementary	Secondary
AM	AM
<p>Audience: All Staff Topic 1: School Improving Planning Facilitators: Dr. Ross Greene Delivery Method: In person (Fellowes High School) Description: Dr. Ross Greene, an internationally renowned clinical psychologist and expert in child psychology, is the creator of the Collaborative & Proactive Solutions (CPS) model. He has dedicated his career to helping schools and families address challenging behaviors in children through empathy, collaboration, and problem-solving. Dr. Greene is the author of several influential books, including <i>The Explosive Child and Lost at School</i>, and has worked extensively with educators to implement compassionate, effective strategies that enhance student well-being. The Renfrew County District School Board staff will benefit from his insights on fostering supportive and engaging learning environments.</p>	
<p>Audience: All Staff Topic 2: Breakout Sessions Facilitators: Various School Staff Delivery Method: In person (Fellowes High School) Description: Staff will engage in breakout sessions focused on Student Engagement and Well-Being through staff-led learning sessions to share our expertise and best practices. These workshops will support learning and create positive, engaging environments so all students can thrive.</p>
